		<input type="checkbox"/> 14/15/16 Senior SB (World Series)
		Shirt Size Adult/Youth S M L XL

I _____ am 100% committed to Little League Inc. and North King County Little League, and I am not in a manager / coach / leadership capacity on any other sport that would compete with my ability to make this 100% commitment. If named to a Post-Season Tournament Play manager / coach position, I promise to uphold the League's Code of Conduct and all Little League tournament rules, including sportsmanship, fair play and respect for the umpires and tournament directors. I further understand that my role is promoting teambuilding and improving the skills of each and every player on the team is as important as playing the game. I also understand that I may jeopardize my role as manager / coach, should the Board of Directors become aware of a conflict of interest, or I, at any time, exhibit behavior that is considered unbecoming a North King County Little League Manager / Coach as outlined in my regular season information packet.

I also agree to lead practices and play at every game beginning June 15th and will be available to play through August should my team advance through the District, State, Section, Division, Regional and the Little League World Series.

I further agree to attend the mandatory late June Manager / Coaches Meeting held by District 8, and am willing to assist the Board of Directors in any capacity necessary to assure that the team's tournament paperwork is accurately and timely completed.

I also agree to return all equipment and team uniforms issued by September 1, 2007.
